Hondrong, July 28rg, 1876.

Tax religious persecution which has broken out in China is, if the latest reports may be relied upon, growing fiercer. An act of atrocity, happily rare even in Asia, is said by an informant of the Courier to have been committed at Ning-kuch Fu, in the province of Ngan-king, and about five hundred li from Nanking, less than a fortnight since. According to his statement, about seven o'clock

in the morning, while service was being conducted by a foreign priest in the largest Roman Catholic Church in the city, crowd of upwurds of a thousand people many of them soldiers, under the guidance of officials, surrounded the building and threw in several bags of gunpowder, unlawful possession of a night pass.

fiance of the treaty stipulations, and those powers under whose wgis the Catholic missions have been formed have a good right to demand that this causeless persecution shall coase at once and for the future. In all cases the prime movers of the crusade bows of the French man of war Talisman and seed for their autumn grops. For some days we Besides the two Ministers above mentioned against the Christians appear to be officials sank. The apparation is not an unlikely one. have been receiving reports of rain-fall in other there were present at the interview Mr. Tei ance has been given to the movement in for it, and this may be the foundation.—Daily the city, and thoroughly drenched the thirsty very celebrated scholar, we believe, and Hoan Szechuen by some persons high in authority. against the Catholics of Ning-kuch Fu the officials are stated to have lod on the murderous crew, many of whom were soldiers. The affair, is certainly monstrous, and an outrage on humanity. It is to be hoped. be greatly exaggerated if not altogether unfounded.

THE rumour that the Chinese general Tso TSUNG-TANG WAS doad seems to have been altogether incorrect, and probably unfounded. That he has sustained reverses there is less doubt and that he has been greatly in need and the hody was buried. The authorities, both of money and provisions there is none at all. The Central Government has hitherto preserved silence with regard to the move- quarreled with his wife, but declared that the ments of the army sent against the Ameer of wounds were caused by a knife falling from Correspondent. Kashgar, and it-has proved impossible to

light upon the subject, which is no doubt intended to be faint enough, but really reveals more than it was designed it should do. The memorial in question, after referring to the drought of the season and the calumitous condition of affairs, lays injunctions on the officials throughout the Empire to bestir themselves actively in cultivating a bigher tone of rectitude. The document then proceeds: "At the present moment, when the state of affairs is involved in so many difficulties, when peace has not ensued upon the military operations undertaken on the Western frontier, when the public revenue

is the reverse of abundant, and the people at large are straitened in their means of livelihood, the season of drought which afflicts this year the population of the region days, as the Chinese style the reiny season, surrounding the capital, and the provinces of Childis Shantung, and their neighbourhood, has affected Us by day and night, in the recesses of Our palace, with feelings of the profoundest grief and anxiety." It will and were of incalculable advantage to the crops be seen that the reference to the campaign in Kansub is of the slightest, but the mere land hereabouts will be planted this year, owing taken there. Seeing his insolent behaviour, a admission of the fact that it has not proved to the scarcity of animals, which have been policeman standing near, gave him, it is assuccessful, coupled with the exceedingly doleful strain of the Decree throughout, is sufficient to convince any one that the reports received from Tso Tsung-Tang have been Mesars. Kelly & Co., Shangbui. anything rather than satisfactory. His troops | impression among foreigners is that no resort have suffered much, it is believed, from sick-HANKOW and Mesers. Hall & Holtz and Kelly ness and from distress caused by shortness of supplies, and it is stated that very urgent appeals for assistance have been for-TIENTSIN and | Messrs. Hall & Holtz and Kelly | warded by him to the Government at Peking. The public revenue is allowed in the Decree to be "the reverse of abundant," and through being so pushed for money the Government has no doubt been unable to respond very promptly or generously to Tso's requests. Mr. J. H. Bloom, Independent It seems from a memorial from the acting Governor General of Hu Kwang, dated the BANGROK...... Mesers. Melberbe, Jullien & Co. | 3rd instant, that altogether 380,000 tacks have the north-west frontier. But this amount San Francisco Mr. L. P. Fisher, 21, Morchants' has doubtless all been expended, for the soldiers' pay was much in arrear at the time it was despatched. The troops will not fight unless they are fed and paid, and there seems much difficulty in ruising funds. At present, although driven back and in no very flourishing condition, the Chinese army under Tso is the art of war in six weeks, than they have nostill in the field and endeavouring to cope with the AMEER's forces. But with regard filled all the dry ponds about the native city. to the movements of the two armies it seems

AN AMBITIOUS JAPANESE. The following dialogue lately took place between a Japanese Military Officer and a foreign Drill Instructor :-J. U.—It might bappen that a difficulty arose between Jupan and langland, in which case we should be bound to declare war.

D. I.—Oh, cortainly! J. O .-- Of course, in such an event, we should be obliged to invade England: D. I.-Oh. no doubt! J. O. Well, do you think it would be advisable that our troops should proceed to Eugland round the Cape or via the Suez Canal F runaway horse.

D. I. Oh, certainly by Suez Canal. There will be no difficulty, provided you are able to has undertaken the translation of the 'Vaya-O .- But when we arrive in England, do the Stored Books of the East," you think it would be better to land at Dover or sail up the Thames P D. I.-Well, in case of an invasion of England it is generally considered advisable to had at

landing at Dover, don't you think we ought to made by him into Central Africa when under proceed by rail to the capital? D. I .- Perhaps so, but I'm atraid one or two of the Railway guards might stop you. J. O.—Ob!—Japan Mail.

HEDIOOLAND.

The charges put forward against British rule in Heligoland by Dr. Octker, principally on to Titlan, at Pieve-di-Cadore where the painter Gorman national grounds, and partially re- was born. The figure, nearly 10 feet high, wil echoed by one or two English critics on grounds | be creeted on an octagonal pedestal of marble of theoretical constitutionalism, have provoked | in the style of the sixteenth century. landed, sceing all the sights that the world a reply from a resident in Heligoland, Herr R. A very valuable painting by Van O afforded made use feel as though still in the Pilger, evidently a German, in vindication of representing an aged peasant and his wife, the the Government under which himself and his latter holding a guitar, has very countly been countrymen live and, according to his own atolen out of the shop of a picture dealer at nocount, thrive. The reply has been printed in Linge. The robbery was committed in the Some few days ago, a Weiyuen named Li and rathlessly oppressed, and those in which I the Cologne Gazette. Herr Pilger accuses Dr. daytime. forthwith severely tortured. The mode of excu- was sent to Shanghai by the Taotai of Ningpo; noticed that this was especially the oase were the abrogation of our ancient privileges com- the Challenger's work in the Atlantic. This plained of amount to? "That now there is law work will be illustrated by drawings taken on and order in the place of former anarchy and the spot by Mr. Wild, the artist of the expediunceasing disputes; that now, whenever a vessel tion priate to himself whatever he could-a state of as Brazil and the Amazon valley supplied, has things amounting, in fact, to legalized pirary; | collected some of her husband's pictures, inthat now natives as well as aliens can freely sue oluding "Niagara Falls." and placed them for their debtors, whereas under the old regime exhibition at No. 25, Old Bond-street. hat now the public debt-beavy for the smallments and acquisitions: such as the purchase of the entire bathing shore, the construction of a fine theatre, of capacious swimming baths, of two landing piers, and the like; that now the gaming tables, so long a standing disgrace to of the appearance, productions, industries, Heligoland, have been abolished, and in society, and wonders of the various countries spite of the loss of revenue occasioned thereby, of the world, illustrated with maps and wood

the above—satisfactory—results—baye—beenattnined. All this and more has been done, and order to its accomplishment the uncient Constitution of Heligoland has been abrogated: but it has been abrogated, please to observe, only after the Representative Assembly bad explicitly rejected every proposal to amend the old state of things, the preservation of which had in truth become impossible, and had refused to impose any tax whatever." The writer plan for promoting the advancement of my claims, on behalf of the English Government, that after long forbearance no other means was left to it for civilizing the colony but to introduce purely personal government. England does not derive a farthing of revenue from the colony. On the contrary, it pays an annual lately advanced £3,000 for laying a submarine sable, and spent £1,000 upon the construction of a handsome flight of steps connecting the berland with the Unterland. "The better and more educated portion of the population gratefully acknowledges the considerate care of the Government. Of the supposed ill-feeling or bitterness towards the present regime few. traces indeed are at present left." prosperity of the island has advanced in the last ten years at an extraordinary rate, so that now there are as good as no paupers whitever the baths and the fishery flourish, the postal and telegraphic arrangements are excellent, law into nanels representing the successive labours and or ler reign supreme, the taxes, which are assessed by a special commission, are very

moderate in proportion to the thriving business." The present grovernor, who has the interest of the colony warmly at heart attends assiduous care. The charge made by Dr. Oetker with regard to the purchase and sale of al refutes by pointing to the good services rendered by the steamer in saving both life and property and in preserving during the blockade of 1870 intercourse between the island and the outer world, supplying the former both with letters and with the more necessary provisions. sale of the steamer in 1874 on account of the high premium asked for insurance and the necessity of extensive repairs lett a balance for the island, so there is really (Herr Pilger

concludes) no ground for complaint.

THE COLONISATION OF CENTRAL At a meeting of the Royal Colonial Institute eld at the Pall-mall Restaurant, the Duke of Vanchester presiding, an address on the above subject was delivered by Lieutenant J. L. your views on the subject. Do you think that it Cameron, R.N., U.B. Among those present will tend greatly to the profit of both countries ? | were Sir Rutherford Alcock, Sir Richard G Macdouald, Captain the Hon. G. B. Stewart. the Bishop of Melbourne, Lord St. Leonards. lates that neither of the two countries shall | Bir G. Macleay, &c. Lieutenant Cameron commenced by saying that people thought that Central Africa was not a place to be colonised He agreed that it could not be colonised at once. and the aborigines sleared from the country; but if it was to be done it was to be brought about as they had done it in India, or the manner the Romans, the greatest colonists in the world, bad civilised parts of the earth by sending out governors, merchants. For example, of the Treaty of Friendship which and sailors to different ports. A large portion you have just mentioned, interpretations might of the country round Lake Tanganyika was very fertile, and produced large crops of cotton. The climate was also salubrious, and the place. was well fitted for a sanitarium. Coal and iron were lound about there. The inhabitants were. however, ungivilised; and the surplus population was kept down by cannibalism. Through the country which he travelled he came across

mines of various sorts, such as to render the land one of the richest countries producing metal in the world. There were gold mines. silver mines, iron mines, and last, but not least coal mines. The whole of the country westwards of Tanganyika was a marvellously fertile and woll watered country, and after leaving Tanganyiks he had only five or six attacks of fover. But it must be said that he never rive the climate a fair chance for he had not got proper things to eat or a sufficient shelter, and consequently the climate always had the best of him and those who accompanied yours from the date on which it was concluded | been. At present the whole of Africa was one its valuable products lost. What was wanted or a great company should ser what could be done for the country. Having spoken of the facilities by which the internal part of the country would be approached; he went on to eny that by placing strawers in the

Antioch, Ephesus, and Tarsus; and the Rev.

G. S. Davies, of the Charterhouse, Godalming,

is preparing a volume on Athens and Corinth in the time of the Anostles. We learn with extreme regret of the death of Colonel L. B. Richards, which occurred on the 13th ultimo at his residence in Brunswicksquare, London. Colonel Richards, who was born u 1820, was the author of several well-known dramatic works; he took a prominent part in the establishment of the rifls volunteer force, with which he was connected from its inception; and since 1870 he has been editor of the Moraing Adv riser, in which office he succeeded Mr. James Grant. He was the first editor of the Daily Telegraph. He was an able and warmhearted gentleman, and his death will be long and deeply deplored by a large circle of intelli-

There is now in England a picture attributed to Raphael, interesting as well by its curious history as by intrinsic merit. It belongs to J. C. Hooker, Esq., of Rome, but it was formerly in the possession of the nuns of the famous convent of Santa Chiara, in Raphael's native oity of Urbino The subject is the S Virgin and Child." Professor Farabulini, who has made a careful examination of the painting. supported by much curious research into its history expresses a confident opinion of its anthenticity; and this judgment, though directly contradicted by the opinions of Passarant and Signor Cavalenselle, the Academy thinks, gains credit from an examination of the documentary widence to which neither of these writers has

devoted any attention. "The title of Poet Laurente" says Mr. Gibbon, in perpetuated by costom rather than by vanity in the English court;" and he adds, "From Augustus to Louis, the muse has too often been false and venal; but I much doubt (says a correspondent) whether any age or court can produce a similar establishment of a stipendiary poet, who in every reign-and at all events-is bound to furnish twice a year a measure of praise and verse such as may be sung in the chapel, and I believe in the presence of the Sovereign. I speak the more freely, as the best time for abolishing this ridiculous custom is while the prince is a man of virtue and the poet a man of genius." This passage is quoted from the "Fall of the Roman Empire," and Gibbon's picture of a poet laureate is a thing of the past. That office in the present day is of a different,

Galignani states that the works undertaken for the prolongation of the Strada Nazionale at Rome have brought to light some interesting Saths of Constantine, has been brought to light It consists of the half of a habitation, containing bath-rooms and the visidarium, or grove. The rains comprise two basins, or baths, of elegant build, lined with marble and and ornamonted with niches, an ambularium, or avenue bordered with trees, as well as a portico, the sides of which are also disposed in nymphec. pilastres in coloured mesaic, and corved stone

Extracts.

UNSATISFIED. "Only a housemaid!" She looked from the kitchen Nest was the kitchen and tidy was she: There at a window a southstress ant stitching:

Give her an Eden, she sight for a pippin;

Give her an empire, she pines for a name!

"Were I a scamstress, how happy I be !" "Only a Queen!" She looked over the waters Fair me her kingdom: and mighty was she; There set an Empress, with Queens for her daughters "Were I an Empress, how happy I'd be!" He sees the mischief which Richard's facsimile of the burned writing was found in the slain before Meth-acquainted her with fall had caused. But his sympathies go the inside. Anderson had an umbrelly, on the death of Heinrich. He was wounded and with Henry IV., the self-sustained practical which were engraved the words "Great Wizard | carried to the hospital, where he lived for ruler. Can we doubt that if he had lived of the North," This caused apprehension twenty four hours in full possession of his

in the goal that he obtained his release.

A FIERY ORDEAL The train bad stopped at the top of the Lone Overbeck was a native of Westphule. hills above Liege, before being gradually Her father was the pastor of a country parish; lowered down the steep incline into that great a good man, who taught his children care-Birmingham of Bolgium. It had been a very fully both by precept and example. He had warm day, and one of the large second-class a large family, but Lena was his favourite carriages contained eight individuals in dif. daughter. She was the fairest and the most ferent stages of grimmess and parapiration; intelligent, and from her earliest infancy had and all more or less exhausted by the heat, abown a remarkably ingenious disposition. There was a int priest, with beavy jowl, who There was bothing in the place where her had read diligently in his breviary as long as lather lived to give her great prospects in the fading daylight would allow him to do so, the world. Her sisters were married to and who had then dropped off into a sleep small merchants, or the better class of penfrom which his own snores occasionally awoke sant farmers; and her brothers, though him. There were two mechanics in blue sent to the university, looked forward to blouses, one of them carrying a child nothing higher than the humble offices of two years old with a hat like a basket of the German Evangelical Church. Lena It would be atterly impossible to tell how work care on its head. There was a dan- grew up a good and simple maiden. many constitutions have been impaired, how diffied, jolly-looking bourgeois, with a black much interested in every work which had many dignations ruined, how many come beard, dressed, in a spotless suit of fer its object either piety towards God or plexions spoiled, and how many purses are white jean shining from the wash. Such a benevolence towards men. It was in her emptied, through modicine. What is that dazzling black-and-white gentleman I his twenty-second year that Hans Huber, the you say—that a stitch in time caves nine, jauntily curled hat so black and shiny; his son of a gentleman in high position in the and that the right medicine quickly taken boots such mirrors of varnish; his clothes Prussian Government, came on a visit to averts danger? Very likely, I quite believe like the driven snow; his beard so black and her father's parsonage. Young Huber was all that. But in ninety-nine cases out of a glossy; his eyes so black and sparkling; and her brother's friend at the University of hundred where is the danger and what is his teeth so white and gleaming that he quite Heidelberg, and had come to spend a few the emergency of the case? Medicine is often deserved to be, as he evidently thought him. days of the summer vacation. To the great the precursor of after misery, and the poor solf the admiration of all beholders. Then joy of the whole family the visit ended in the constitution has to pay dearly for its there was a little sister of charity, with a betrothal of Lena to Hans Haber. He remedicinal fillip. The wiser philosophy of the rosy face, a snowy cap, and immense basket; turned to the university to finish his studies. present day is gradually delivering us from there was a some officer with baggy trousers. Two more years were spent when he was apthese potent perils. ... Nature has a who smoked incessantly; there was a woman pointed, through his father's influence, to a self-righting power within her; there is a with a funny little black-eyed mummy of Government situation in Berlin, and the kind of viemedicatrix in the physical frame. a baby; lastly, there was the inevitable parsonage was the scene of the rejoicings Treat the body kindly, let as much pure air Englishman, with the "Times" and which usually mark the brightest day in the as possible get to the lungs, and as much "Murray" as his travelling companions. This life of man or woman when the world is all fresh-water-as possible be applied to the Englishman was a fine-looking man of be before them. Lenn Overbeck, now Huber, flesh, and as much healthy exercise as duty tween 40 and 50; a thorough John Bull in from her position as the wife of Hans Huber, allow be afforded for the recruitment of the "study the people of the country to greater she had been accustomed to see in her father's brain, and then medicine will be a very advantage," and accordingly, second-class house. The fashionable world there seemed he travelled obediently, and a very stronge given over to the vanities and pleasures of study his tellow-passengers afforded him. this life. This gave her great anxiety, but HOW GIRLS ARE MADE PRETTY. One of them now addressed him :- "None she spent much of her time in good works, The Hindoo girls are graceful and exquis-allous bientot arriver à Liège, Monsiour," helping all the charities that were in existence, itely formed. From their earliest childhood said the black-and-white gentleman, politely. and devising others. These things were heads. The water for family use is brought Englishman, and then he thrust his bead for Lena had three sons and four daughters. by the girls in earthern jars, carefully poised out of the window and saw in the fore. Of the latter two died in infancy, the third in this way. This exercise is said to streng- ground furnaces belching out flames and at the ago of eighteen, and the lourth was a then the muscles of the back, while the chest smoke, black figures like attendant demons delicate child, with little prospect of ever is thrown forward. No crooked backs are moving near them, and boyond, down in the gaining strength. Lena's joy was her three seen in Hindostan. Dr. Henry Spry, one of valley, the stately city of Liege, with its sons. They grew up to manhood, passed the Company's medical officers, says that many domes and spires, and its lights creditably through the university, and pro-"this exercise of carrying small vessels of reflected in the great river of the Meuse. mised well for prosperity in life. In 1870, back-boards, skipping-ropes, etc. The young make his choice between the conflicting ing in the summer when their father came lady ought to be taught to carry a jar, as these merits of the hotels therein mentioned home from court, and found his wife and Hindoo women do, without ever touching it "Angleterre that's the one for me. Perhaps | their three sons sitting in the garden. He with the hand." The same practice of carry. | they speak English there, for I'll be shot if | sat down beside them, and though he did not ing water leads to precisely the same results I can understand French talked as fast as weem sad there was evidently something in the south of Spain and in the south of these foreigners speak it; " and he shut the serious in his thoughts. "Matters do not Italy as in India. A Napolitan female peasant Marray with the air of a man who had look well for France," he said, after some will carry on her head a vessel full of water decided a momentous question. Slowly little conversation on other subjects. "There to the very brim over a rough road and not down-the incline glides the train, and is a rumour of war, and I have fears that we spill a drop of it, and the acquisition of this now it puffs into the light of the big shall have a terrible struggle with that art or knack gives her the same crost and station. The priest awakes and puts his country." Long's heart beat so loud that lifts up her basket; the emailette infant ceases near her. In case of war between France to receive nourishment; the blue blouses and Germany, her three sons would be in the wrop a shawl tenderly round the sleeping thick of the battle. And almost involuntary child; the sergeant throws away the end of prayer was breathed that God would arise The sacred rocks are found in the Isles of his cigar; he of the white suite gives a polish and stay the madness of nations. Next Scilly, Cornwall, Waterford, and many other with his coat sleeve to his shiny hat, takes day the news was current in Berlin places. At St. Declan's Stone, in Water from his pocket a handkerchief and dusts his that war with France was inevitable. 1826, upwards of eleven hundred people, umbrella, his stick, his overcoat, his sacred young heart was glowing to defend the men and women, having removed the greater Murray, and, as the guard throws open the German fatherland. The three Hubers were part of their clothes and laid themselves flat door and shouts "Liege!" all descend, and appointed to regiments that went forth at soldiers, and the heroism with which they inspired their men. Lenn received their letters with joy, and was glad to know that

half a century later, he would have mourned | frequently among the country folk. On one senses to the last moment. He had heard of for Charles, but that his intelligence would occasion, while staying on an inu, no one his father's death, and how his brother had with the people which she ruled. One day, departure. At another time Anderson had suffered fearing loss, and among those who The lady replied that "she had confidence eye of the landlady. "A weezard, are younger son no less than the others, but the Halans in her husband's undertaking and courage, ye?" said the affrighted widow. "Then news was received with more calminess. Her frene well founded on her own stendingtness not for the love of gudeness gong ook of my spirit was bowed down. Long Huber lets Lord Madduff July 17 Wm. Stephen to offend or thwart, but to cherish and obey, bouse! I wadna lodge ye for as night under Berlin, and returned to her pative province. L. Marie whereby she did persuade her husband of her my roof one for a' the world. For the love She opened her home for orphan children, Montego own affection, and in so doing did command o' heaven gang awa, and tak your umbrella of whom she found many, after the peace Sophia his." "Go to, 'go to, mistress," answered wi jo" Anderson did not escape from the with France was concluded. The paster of Victory.
